

Professor Nasser N. Abdellatif

Curriculum Vitae (Last Updated: August 2013)

ADDRESS Department of Electrical and Computer Engineering, Applied Science University, Amman 11931 Jordan
Telephone: +962 6 560-9999 Ext. 1180 (work)
Fax: +962 6 5609940 **Email:** nasser_abdellatif@asu.edu.jo

PERSONAL DATA **Born:** January 1, 1963 **Place:** Amman, Jordan
Nationality: Jordanian

EDUCATION **Bachelors of Engineering** (BE) in Electrical Engineering, City College of New York. New York NY, USA 1985.
Masters of Engineering (ME) in Electrical Engineering, City College of New York. New York NY, USA 1986.
Ph. D. Electrical Engineering, City University of New York. NY, NY, USA 1991.

TITLE OF THESES Ph. D. “Performance of Non-Binary Projection Codes”.

JOB HISTORY:

2013 – Present **Vice President of Academic Affairs**, Applied Science University, Amman, Jordan
2009 – present **Dean of Student Affairs**, Applied Science University, Amman, Jordan
2005 – present **Professor**, Department of Electrical and Computer Engineering, Applied Science University, Amman, Jordan
1998 – 2004 **Division Coordinator, Science, Math and Technology Division**, City University of New York, Bronx, New York, USA.
1996 – 2005 **Chairperson, Department of Physics & Technology**, City University of New York, Bronx, New York, USA.
1998 – 2005 **Professor**, Department of Physics & Technology, City University of New York.
1996 – 1998 **Associate Professor**, Department of Physics & Technology, City University of NY.
1995-1996 **Acting Chairperson, Department of Engineering Technologies**, City University of New York, Bronx, New York, USA.
1992-1996 **Assistant Professor**, Department of Engineering Technologies, City University of NY.

1991-1992 **Assistant Professor, (sub.),** Department of Engineering Technologies, CUNY.

1988-1991 **Adjunct Lecturer,** Department of Engineering Technologies, City University of NY.

2001 – 2005 **Professor (Regular Part time),** DeVry University, North Brunswick, NJ, USA

2000- 2001 **Adjunct,** DeVry University, North Brunswick, New Jersey, USA

1990–1991 **Project Engineer,** SCS Telecom, Port Washington, New York, USA

1991-1992 **Consultant,** SCS Mobilcom Inc, Port Washington, New York, USA

1986-1991 **Adjunct Lecturer,** City College of New York. NY, USA.

TEACHING EXPERIENCE:

Undergraduate courses: Voice Communications, Data Networks, Visual Basic, C++, UNIX and LINUX, Connectivity with Lab., Digital Electronics, Electronic Devices, Statistics, Circuit Theory I and II, Communication Systems, Advanced Communication Systems. Communications Electronics, Digital Communications, Signals and systems, Digital Signal Processing Engineering Applications, DC Circuit Analysis, AC Circuit Analysis, Fiber Optics, Electronics II, Computer Applications, Data Communications, Advanced Telecommunications, Digital Electronics II and Microprocessor systems.

Graduate Courses: Digital Signal Processing, Information Theory and Coding, Digital Communications, Spread Spectrum Communications.

ACADEMIC HONORS

Verizon Next Step Star Award 2005.
 Bronx Community College Performance Excellence Award 2002
 Bronx Community College Foundation Research Award 1994
 City University Fellowship 1990, 1991.
 National Deans List 1983-1986.

GRANTS

1. **STEP- Science and Technology Entry program** 1996-1997,1997-1998, 1998-1999, 1999-200,2001-2002,2002-2003,2003-2004, 2004-2005. New York State Education Department (Amounts Awarded:\$104,000, \$103,000, \$112,000, \$107,000, \$104,000, \$102,000, \$106,000, \$109,000)

2. **CSTEP-Collegiate Science and Technology Program** 1996-1997,1997-1998, 1998-1999, 1999-200,2001-2002,2002-2003,2003-2004, 2004-2005. New York State Education Department (Amounts Awarded: \$85,000, \$84,000, \$86,000, \$88,000, \$84,000, \$88,000, \$90,000, \$87,000)
3. **Tech Prep Program** 1999-2000, 2000-2001, 2001-2002, 2002-2003, 2003-2004, 2004-2005 New York State Technology Preparation Program awarded approximately \$ 120,000 annually.
4. **Student centered computerized activities for basic Technology courses.** National Science Foundation and Phi Theta Kappa Honor Society, 1994 \$6,000.
5. **Director for Process Education component of Title V grant,** US Department of Education 2001, (**\$170,000**).
6. Science, Engineering and Mathematics research Articulation Program award, New York City Alliance, NSF. 1995. \$3,000.
7. Research Award, New York City Alliance, National Science Foundation. 1993. \$2,000.

MEMBERSHIP IN PROFESSIONAL SOCIETIES

1. The Institute of Electrical and Electronic Engineers (IEEE), Senior Member, 1983-Present.
2. IEEE Communication Society, Senior Member, 1983-Present.
3. The American Society of Engineering Education, (ASEE), Member, 1992-Present.
4. New York State Engineering Technology Association, (NYSETA), Member, 1994-2007.
5. New York Academy of Sciences, 2000-Present
6. American Council on Higher Education, 1998-Present.
7. American Association of University Professor, 1999-present
8. New York State Engineering Technology Council, 1994-2005
9. American Council of College Administrators, 2000-2005.

MEMBERSHIP OF UNIVERSITY COMMITTEES

1. Deans Council, 2009-present.
2. Hire and Promotion Committee, 2009- present.
3. Chair of Committee on academic Standing, 2009 – present.
4. Rules and Regulations Committee, 2013-present.
5. Chair of University Events Committee, 2009 – present.
6. Chair of Academic plans committee, 2013 – present.

7. Chair of Accreditation Committee 2013 – present.
8. Chair of Year Book Committee 2099 – present.
9. Chair of Scholarship Committee, 2009 – present.
10. Chair of Conferences and workshops committee, 2013 – present.
11. General Safety Committee, 2009 – present, president.
12. Chair of Faculty Disciplinary Council 2009 – present.
13. Chair of the measurement and evaluation center council, 2013-present.
14. Chair of Student Disciplinary Committee 2009-present.
15. Chair of the Center for the development of faculty members performance, 2013 – present.
16. Chair of the Center for studies, consultations and community service, 2013 – present.
17. Chair of the committee for external academic partnerships and agreements, 2013 –present.
18. Administrative committee of the Athletic Union of Jordanian Universities, 2009-present
19. Representative to the Arab Universities Union for exchange of training opportunities, 2009-present
20. University Committee to combat N1H1 virus
21. Chair of Student Council elections committee, 2009 – present.
22. ASU Journal editor's board. 2005-present.
23. Faculty of Engineering Council, 2008-2009
24. Department Examination committee 2005 –present.
25. Department Hiring Committee 2005-present.
26. University Senate (CUNY) 1994-2005
27. College Curriculum Committee (CUNY) 1995-1997 and 1998-2004.
28. Committee on Academic Standing (CUNY) 1992-1994.
29. College Personal and Budget (P&B) committee (CUNY) 1994-2005.
30. P&B subcommittee for supplies and equipment (chair) 1998-2005.
31. P&B sub committee on Reassigned time 2000-2005.
32. College Senate Executive committee 1998-2005.
33. College coordinating planning council, 2001-2005.
34. P&B sub committee on equivalency, waivers, and tenure 1998-2005.
35. College Assessment Committee 2003-2005
36. Board of Directors Bronx Community College (BCC) Inc.
37. Board of Directors BCC child Development Center.
38. Executive Committee for Middle States Self Study 1996-1997.
39. Enrollment Management Committee 2002-2005
40. University Committee for testing 1996-1998.
41. University Articulation committee 1998-2004.

ADVANCED TRAINING

- Web Based Instructions: A one day course Springfield Community College, August 2002
- Wireless Communications: two day course by Hill Associates Inc. Albany NY January 2002. Broadband Internet: A two day course on DSL, Cable Modems, and Wireless Internet. Springfield MA, June 2000.
- Lotus Notes version four: One-day course on the use of Lotus Notes 4 telecommunications software. New York NY.
- Telecom II, New and Emerging Technologies: A two days course on the new advances in data communications. By Hill Associates Inc, Marlborough MA. August 1997.
- Understanding LAN and TCP/IP integration: A two days course on Local Area Networking Topologies concentrating on TCP/IP topology. By Telecommunications Research Associates (TRA), Troy NY. October 1997.
- Understanding SONT and other Broadband Technologies: A two days course on Synchronous Optical Network standards. Concentrating on the new specification to SONT protocol and examining how they relate to other protocols. By TRA, Troy NY, November 1997.
- Hands on LAN/WAN: A three days course on constructing and maintaining local area networks (LANs) and Wide Area Networks (WANs). By Hill Associates Inc, Marlborough MA, December 1997.

PROFESSIONAL AND SCIENTIFIC MEETINGS

Attended tens of scientific and professional meetings such as:

- ASEE annual conference 1994-2005,
- The Institute of Electrical and Electronic Engineers (IEEE) Globecom and Milcom almost annually,
- The Accreditation Board of Engineering and Technology annual meeting 1994, 1997, 1999. 2000, 2003, and 2005.
- Verizon Next Step Faculty institute 1997-2005.
- New York State Engineering Technology Council and New York State Engineering Technology Association, (NYSETA) 1994-2005 (spring and fall meeting).
- IEEE midatlantic section meetings 1996-2004.
- New York Academy of Science meetings 2000, 2002, 2003, and 2004.
- New York and New Jersey chapter of IEEE numerous times.

PRESENTATIONS

- “Partnerships between Universities and NGO’s” IAAN 2013, Washington DC, USA.
- “Use of Technology and specially social media by NGO’s” IAAN 2013, Washington DC, USA.
- “Activity Based Electronics” Verizon faculty institute October 2006.
- “Voice over IP” Verizon Faculty institute October 2006.
- “Moving from International Partnerships to Campus-wide Engagement” C. Williams. M. Keiz, N. Abdellatif. American Association of Community Colleges AACC Boston MA 2005.
- “Developing an Effective Institutional plan” C. Williams, N. Ritze, N. Abdellatif. American Association of Community Colleges AACC Nashville TN 2003.
- “Building Collaborations with High school systems” Tech. Prep. Conference November 2004.
- “Integrating skills in basic Engineering curricula” Petermorisburg, South Africa, October 2003.
- “Integrating Technology in engineering curricula” Petermorisburg, South Africa, October 2003.
- “Developing course assessment plans” Petermorisburg, South Africa, October 2003.
- “Research in Technology Education” Tech. Prep. Conference Saratoga Springs, September 2003.
- “Integrated Skills Reinforcement” Verizon Next Step Faculty Institute, June 2003.
- “Activity Based Circuit Analysis” Verizon Next Step Faculty Institute, June 2001.

- “Developing Discovery Based classroom activities” Verizon Next Step Faculty Institute, June 2000.
- “Writing Course Objectives” STEP conference Albany, NY, June 2002.
- “Building an effective team” CSTEP conference Albany NY June 2001.

WORKSHOPS

- “Developing course syllabus” ASU Amman, Jordan 2012 and 2013.
- “Writing Course learning outcomes” ASU Amman, Jordan 2012.
- “Writing and managing online exams using BlackBoard” Bronx New York, January 2007, 18 participants.
- “Developing a Program assessment plan” Bronx NY, October 2006, 12 participants.
- “Managing Institutional Change” October 26-28, 2003 Petermorisburg South Africa, 80 participants.
- “Integrating reading and writing in engineering curriculum” Verizon Next Step Faculty Institute. June 2004, 32 participants.
- “Use of the Web to enhance in class learning” Verizon Faculty institute 2001 23 participants.
- “Process Education (Skills across the curriculum)” January 16-18, 2000, 35 faculty participants.
- “Process Education (Skills across the curriculum)” January 16-18, 2001, 40 participants.
- “Designing student centered activities” Verizon Next Step, June 1999, 34 participants.
